

HP KM180 Wired Keyboard & Mouse Combo

Official Series Name: HP Tibetan Antelope Plus Wired Desktop Combo | High-Reliability Desktop Peripherals

IDENTIFIER TYPE	REFERENCE CODE	DESCRIPTION & CONTEXT
Physical Sticker Part No.	Z4M39PA#AB2	Printed on the barcode sticker underneath the keyboard & mouse units. Suffix #AB2 denotes regional Asia-Pacific key layout.
Commercial Model Name	HP KM180	Retail marketing model name printed on the retail packaging.
Global Logistics Part No.	7J4G3AA	HP universal ordering number used in global distributor invoices & tenders.
Legacy / Alternative SKU	A4M39PA#AB2	Cross-referenced distributor regional product bundle code.

KEY PRODUCT BENEFITS & FEATURES

Quiet Chiclet Key Architecture

Ergonomic low-profile chiclet keycaps provide smooth, quiet, soft-touch key actuation for reduced typing noise during long working hours.

1200 DPI Optical Precision Mouse

High-definition 1200 DPI optical sensor delivers smooth, responsive, and precise cursor movement on various desktop surfaces.

Spill-Resistant Durability

Integrated internal drainage channels and sealed membranes protect internal circuitry against accidental liquid splashes and coffee spills.

Ambidextrous Ergonomic Grip

Contoured mouse body engineered for natural comfort and reduced wrist strain for both left-handed and right-handed users.

12 Fn Shortcut Hotkeys

Dedicated Fn key combinations provide instant quick access to volume adjustments, media playback, email, browser, and calculator controls.

Instant USB Plug-and-Play

Standard dual USB Type-A wired connectivity guarantees immediate operation across Windows, macOS, and ChromeOS without driver installation.

COMPREHENSIVE TECHNICAL SPECIFICATIONS

1. Keyboard Specifications	
Keyboard Layout	Full-size layout with full 10-key numeric pad
Keycap Type	Chiclet low-profile quiet keys
Key Switch Lifetime	Up to 10 million keystrokes durability rating
Multimedia Keys	12 Fn shortcut hotkeys (Volume, Play/Pause, Mute, Home, Search, etc.)
LED Status Indicators	Caps Lock, Num Lock, Scroll Lock green indicators
Dimensions & Weight	444 mm x 156 mm x 23 mm Weight: ~520 g
2. Mouse Specifications	
Sensor Resolution	1200 DPI Precision Optical Sensor
Button Configuration	3 Buttons (Left Click, Right Click, Clickable Scroll Wheel)
Switch Durability	Rated for up to 1 million clicks
Design & Ergonomics	Symmetrical ambidextrous shape for left & right hands
3. Connectivity & System Compatibility	
Connection Type	Dual USB Type-A Wired Cables (~1.5m length)
Supported OS	Windows 11 / 10 / 8 / 7, macOS, Chrome OS, Linux
Warranty & Authenticity	100% Genuine Original HP Available at GADMEI.LK
